

PRIORITY Pre-Registration Policy (2017/18)

Returning Team Priority

Registration of teams having curled in the 2016/17 season in the same requested league as for the 2017-18 season will be given priority over other teams and individuals **until August 1, 2017** – except where leagues are over-subscribed (see below). Team registration requires a \$100 non-refundable deposit that will be applied towards the league fee with the following exception: Teams not getting a spot in the requested league as a result of preference ranking will receive a refund. After this date, registration will be offered to teams on the Wait List for that league.

Where leagues are over-subscribed, first preference will be given to teams as follows, in accordance with the 'League Rules' stated in the Club Roster:

- Four points for returning voting members to that league
- Three points for voting members new to that league
- Two points for returning associate members to that league
- One point for associate members new to that league

Please complete the attached form, including your **team total** based on the above scoring system.

Wait List Teams

After August 1st, organized teams comprising **members** of Peace Arch Curling Centre who wish to be part of a league will be ranked for priority based on their team total. Team registration requires a \$100 refundable deposit that will be applied towards the applicable fee should space be available. After August 15th, applications will be accepted on a 'first come, first served' basis. Please complete the form attached, including your **team total** based on the above scoring system.

Individuals

Individuals who have not yet committed to a team should complete the INDIVIDUAL Priority Pre-Registration Form, indicating their preferences for league(s) and position(s). Staff will endeavour to suggest possible placements and create team combinations. Individual requests for team opportunities by **Members** of Peace Arch Curling Centre will be given priority over non-members. Pre-registration is suggested as a means to provide you with the best opportunity to curl, however, Peace Arch Curling Centre cannot guarantee that a space will be found.
