National Masters Championship

The National Masters Championship comes to PACC March 28-April 8, 2018. Events like this can only happen with the help of volunteers. Thank you to those who have already signed up! If you are able to commit even just a few hours to assist, please visit <https://www.curlbc.ca/2018-canadian-masters-volunteer-sign/>.

Priority Pre-Registration

Remember, if you want to secure your spot in the same league for next season you need to let us know. The registration form and \$100 deposit are due Aug. 1. Entry into the same league is not guaranteed.

Club Challenge

The Men's and Ladies Club Champions took part in the B.C. Mainland Club Challenge at Richmond Curling Club the weekend after our Day of Champions. Fourteen men's teams and 13 women's teams from the region competed for a spot to play at the Pacific International Cup. Team Macdonald came upon some tough competition early. Team Palm found themselves in the final for a PIC entry but came up just short in the final end.

Volunteers Needed

We need some volunteers to help with a few tasks around the club:

1. Cleaning carpets. Susan is going to bring in a carpet cleaner but is asking for help

- cleaning the carpets in the upper and lower lounge areas.
2. The windows overlooking the ice need cleaning. Over the summer we will get a scissor lift, so if you aren't afraid of heights, please give us a call!
3. Any tech people out there? We would like to clean up the audio/visual components in the lounge. If you know the system, or wouldn't mind trying to figure it out, please let Susan know.

Dates of Note

- Registration day will be Saturday, Sept. 9
- Evening league play is anticipated to begin late in the week of Sept. 18.
- Daytime leagues will begin the week of Sept. 25.
